Section 2: Project Information

▼ Additional Information for SRF Projects

Is the project listed on one of GEFA's annual Intended Use Plans (IUP)? Please note, it is not required to be listed on an IUP prior to applying for financing.

Has the applicant initiated or completed the State Environmental Review Process with Georgia Environmental Protection Division (EPD) for this project?

▼ Project Name, Description, and Need

Provide a **short description** of the proposed project and why the proposed project is needed in the **boxes below**. If available and applicable, please include a copy of the preliminary engineering report.

Project Name

Project Description

Project Need

Preliminary Engineering Report Upload

Which project type(s) best describes your project (check all that apply)?

Please see these links for project eligibilities for the CWSRF and DWSRF: [Overview of CWSRF Eligibilities](#), [Drinking Water State Revolving Fund Eligibility Handbook](#)

▼ Easements

Does this project require an easement?

▼ Consent Order

Will this project eliminate a Notice of Violation (NOV), Administrative Order, Consent Order, Court Order, etc.?

▼ Project Cost

Provide estimated budget allocations for the amount being requested from GEFA for the project by line item.

Construction:

Contingency:

Engineering and Inspection:

Devices, Equipment, and Software:

Administrative and Legal:

Total Amount Requested from GEFA:

\$0.00

▼ Funding Sources

Other Funding Source Availability Amount

Other Funding Source Availability Amount

Other Funding Source Availability Amount

Total Project Funding:

\$0.00

Conservation

Does your project (or a component of your project) qualify as a conservation project?

See this document for guidance on determining conservation component: [Financing Conservation Projects](#)

Early Project Costs

Engineering and design costs incurred prior to the execution of a loan agreement are eligible for reimbursement with a GEFA loan as long as these costs are necessary for the completion of the project and consistent with the final budget.

Does your community anticipate seeking reimbursement of engineering or design costs incurred prior to the execution of the loan agreement?

Project Schedule

What is the proposed project schedule? If actual dates are available, please include them in the appropriate column.

Notice to Proceed

Completion of Construction

Desired Loan Amortization Period

Desired Loan Amortization Period:

Useful Life Certification

All applicants are required to certify the useful life of the assets funded by this loan will exceed the amortization period of the loan. Please download the form and upload the signed document [Useful Life Certification Form](#)

Useful Life Certification Form Upload

Service Delivery Strategy (SDS)

All proposed projects to be funded by GEFA must be consistent with your community's HB489 Service Delivery Strategy (SDS), please attach a copy of the applicable pages from your SDS

Water Rates Dashboard

All applicants must verify that their utility's water and sewer reported rates are up to date on Georgia Water Rates reporting site. To do so please visit: [Water Rates Dashboard](#). If the rates on the dashboard are not accurate, please email the latest rates to waterrates@uga.edu.

Please review the dashboard and select one of the certification statements:
